

Your Approved Education Provider

Online courses. Take courses anywhere, anytime. Education that's convenient for your life.

The Protocall Group has partnered with American Sentinel University to offer affordable and convenient education to its employees and clients' employees. The university offers accredited programs in the high-demand healthcare field.

Why Choose American Sentinel University:

- Flexible online learning designed for working professionals. Offered monthly, our eight-week courses give students the convenience and control to complete a degree.
- Affordable and attainable education options decrease total cost and time to a quality degree through our competitive partner tuition rates, flexible payment options, and extensive life experience and transfer credits.
- Relevant curricula lead to immediate application at work and a lasting impact on a career.
- University and program accreditation meets or exceeds academic standards and employer needs.
